INTRODUCTION

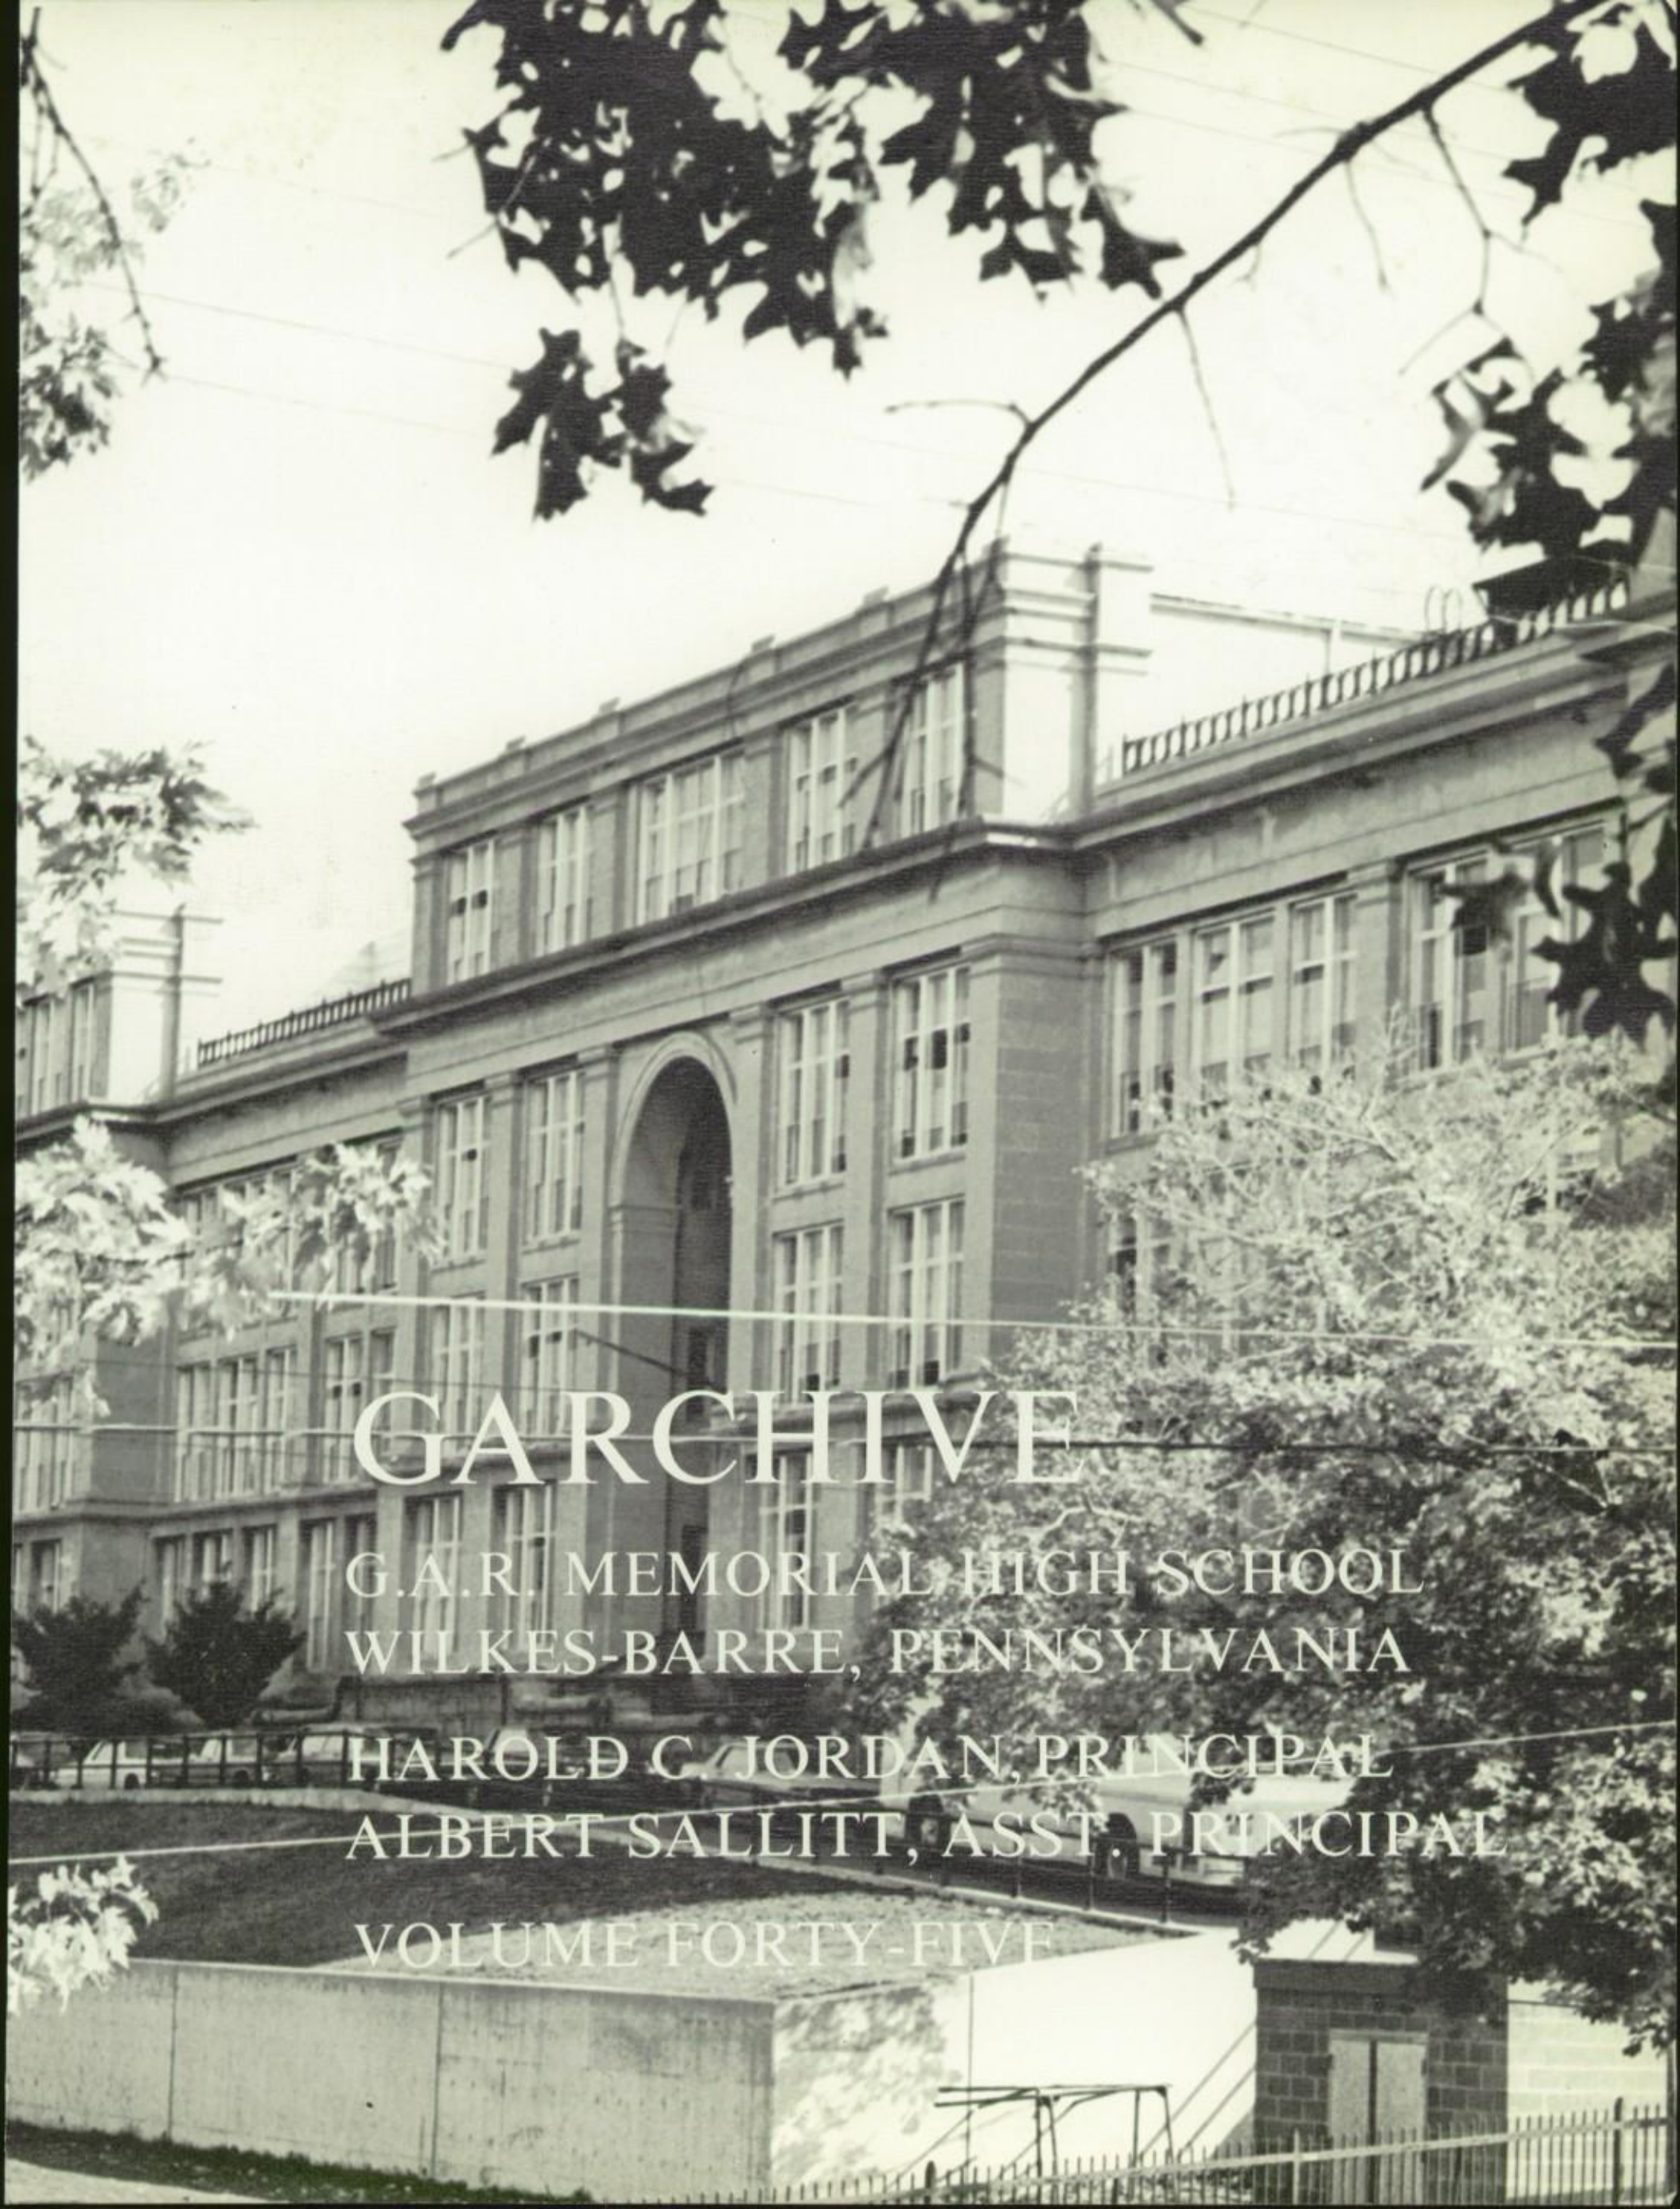

Color is the keynote to every integral part of our lives. It may determine a sunny or cloudy day — both in reality and in our outlooks. It may be an indicator of affinity or repulsion, depending upon our personal likes and dislikes. It is all around us. We are never able to evade its power of suggestion. Each visual media of communication — from comic books and MAD magazine to the legitimate theater and White House documentaries — uses color for emphasis.

Thus, we, the 1972 Garchive Staff, have chosen "COLOR MY YEARBOOK" as our theme. We see red as Christmas and Santa Claus, not as the anger in today's world. We see orange as a sunset, not as the fire which promotes anger. We see green as hope for the future, not envy. For us, blue is the peace and tranquility we all desire; yellow is the magic of sunshine and starlight. Indigo describes the glorious sky given to us by our Creator as we near nightfall. Violet denotes the passion of love for all mankind, not a selfish love.

We hope that from the broad education you have been given at G.A.R. you have reaped an understanding of the world you are about to face. Color YOUR yearbook with vibrant, joyous, and meaningful colors.

"Where the rippling Susquehanna
gently, slowly winds its way,
Stands our dear old Alma Mater . . ."

Note our "heads up" ATTITUDE!

The old saying, "One picture is worth a thousand words" applies itself especially to a yearbook. A whole page of writing could never reveal the hidden message a photograph may possess. A picture triggers different reactions and memories to every reader.

A yearbook is not a collection of high school facts or events . . . a musty old history book. Rather, it is a prism which gathers beams of light, spirits which live with the school forever. It projects that spirit and life of our school days into the rainbow like future.

In the STUDENT LIFE section we of the GARCHIVE STAFF are attempting to paint in your minds an individual tempo which is G.A.R.'s own.

... Our friendliness toward our opponents ...

... Our elaborate school buses ...

... our elaborate proms ...

... and of course, we grasp anything put before us."

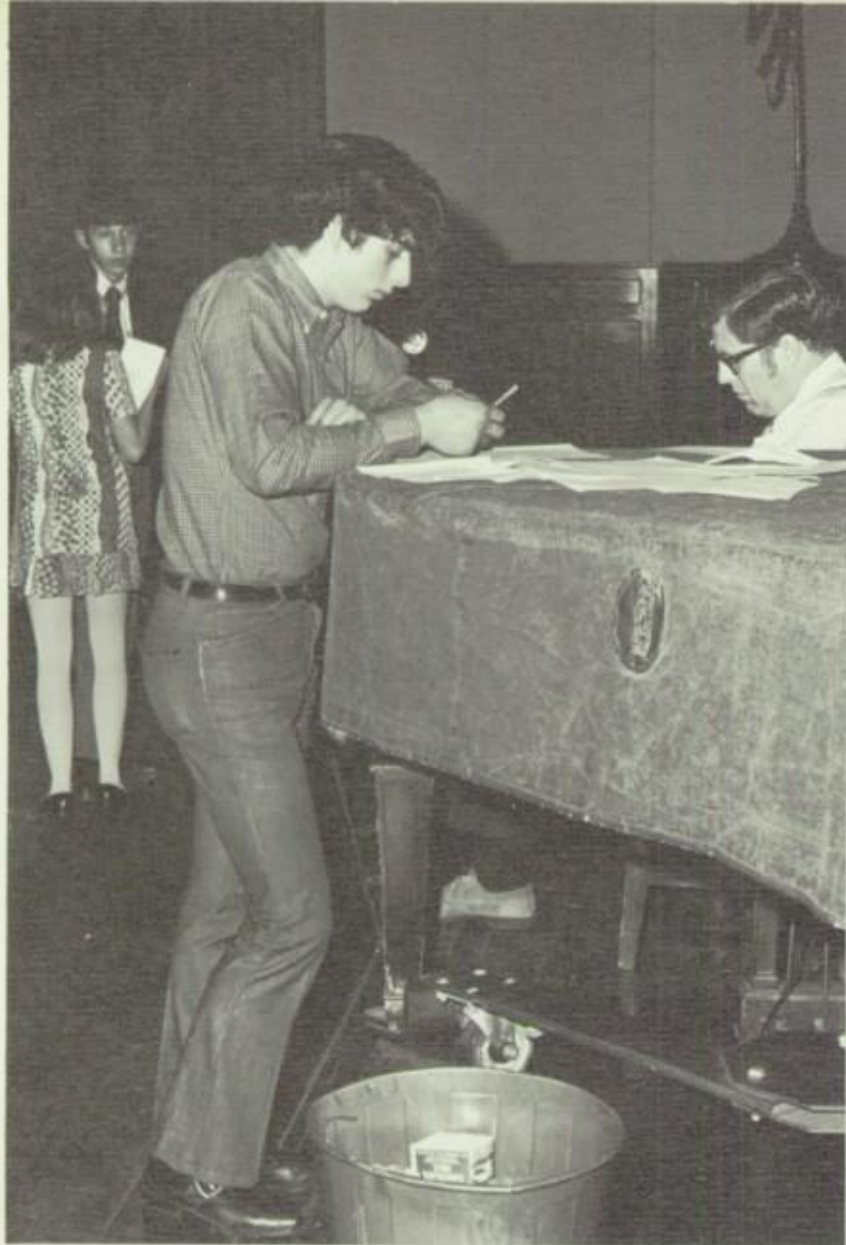

Each student discovers that he must work hard in order to pass that next test. Of course, there's time to relax *and* gossip!

How many steps before . . . THE PADDLE?

"Pass it on . . . the break's at ten!"

Pete's trying to make his time fit Miller's time.

What's the password?

Instant Replay!

BELOW: "Is this a dagger which I see before me?"

"Sure it's a Picasso!"

Men's liberation meeting!

Third Period Lunch is a real blast!

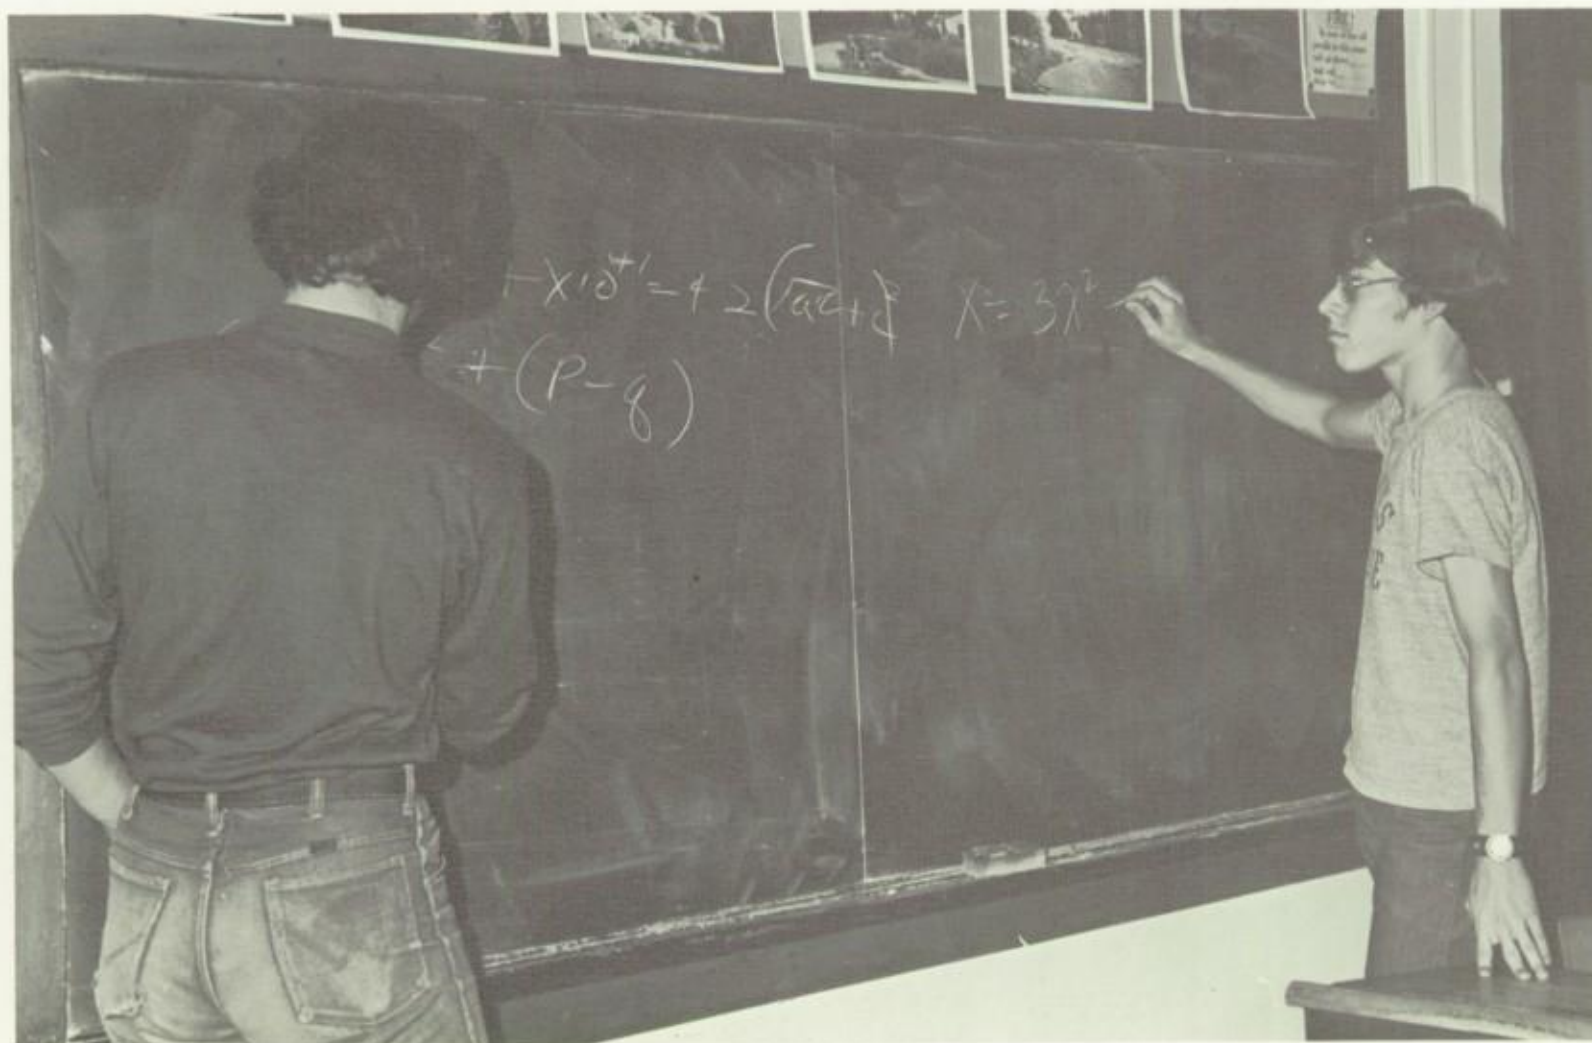

AT RIGHT: Leonardo Da-Vinci couldn't do better!

Buy it, you'll like it!

G.A.R. displays a great talent in the academic field. Whether we are sprouting Einsteins, gifted artists, or talkative Buckleys, students look forward to a common goal — a promising future.

"... quick, Jeff, what's the answer?"

Is Frankie's head spinning?

We are the un-cola people.

Is it soup yet?

Don't cry Joe, I've got you!

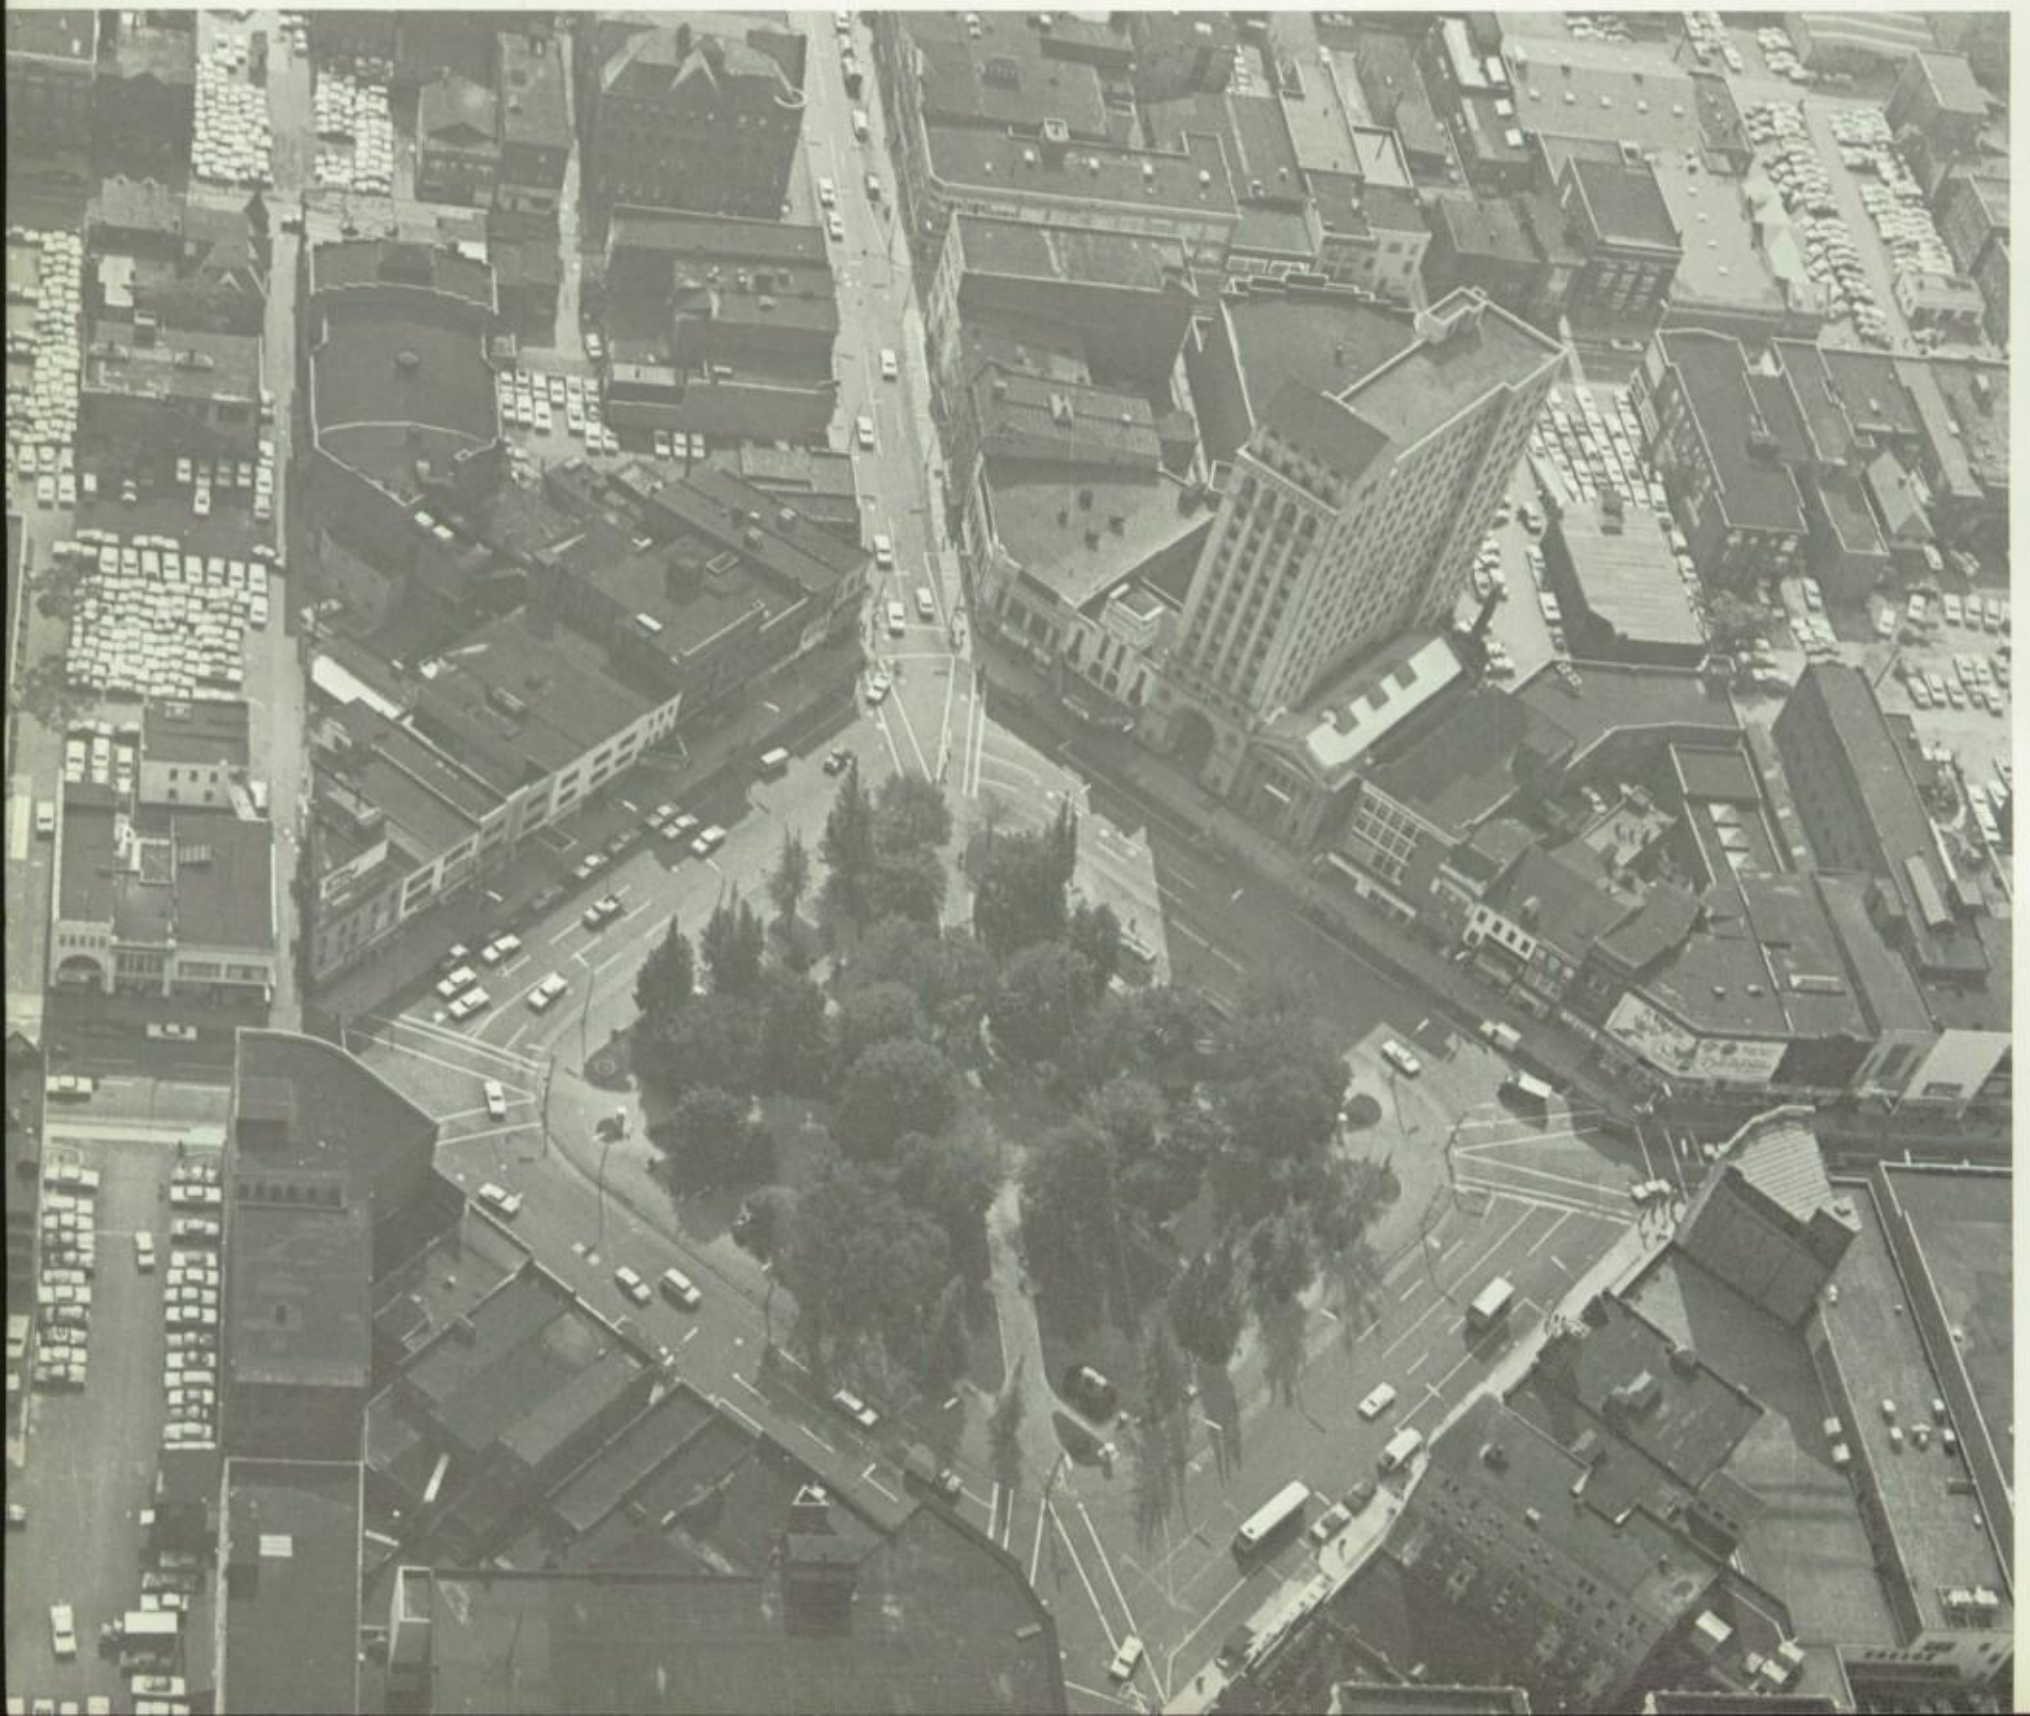

"Now that you passed your Physics, Allen, you can hold my hand."

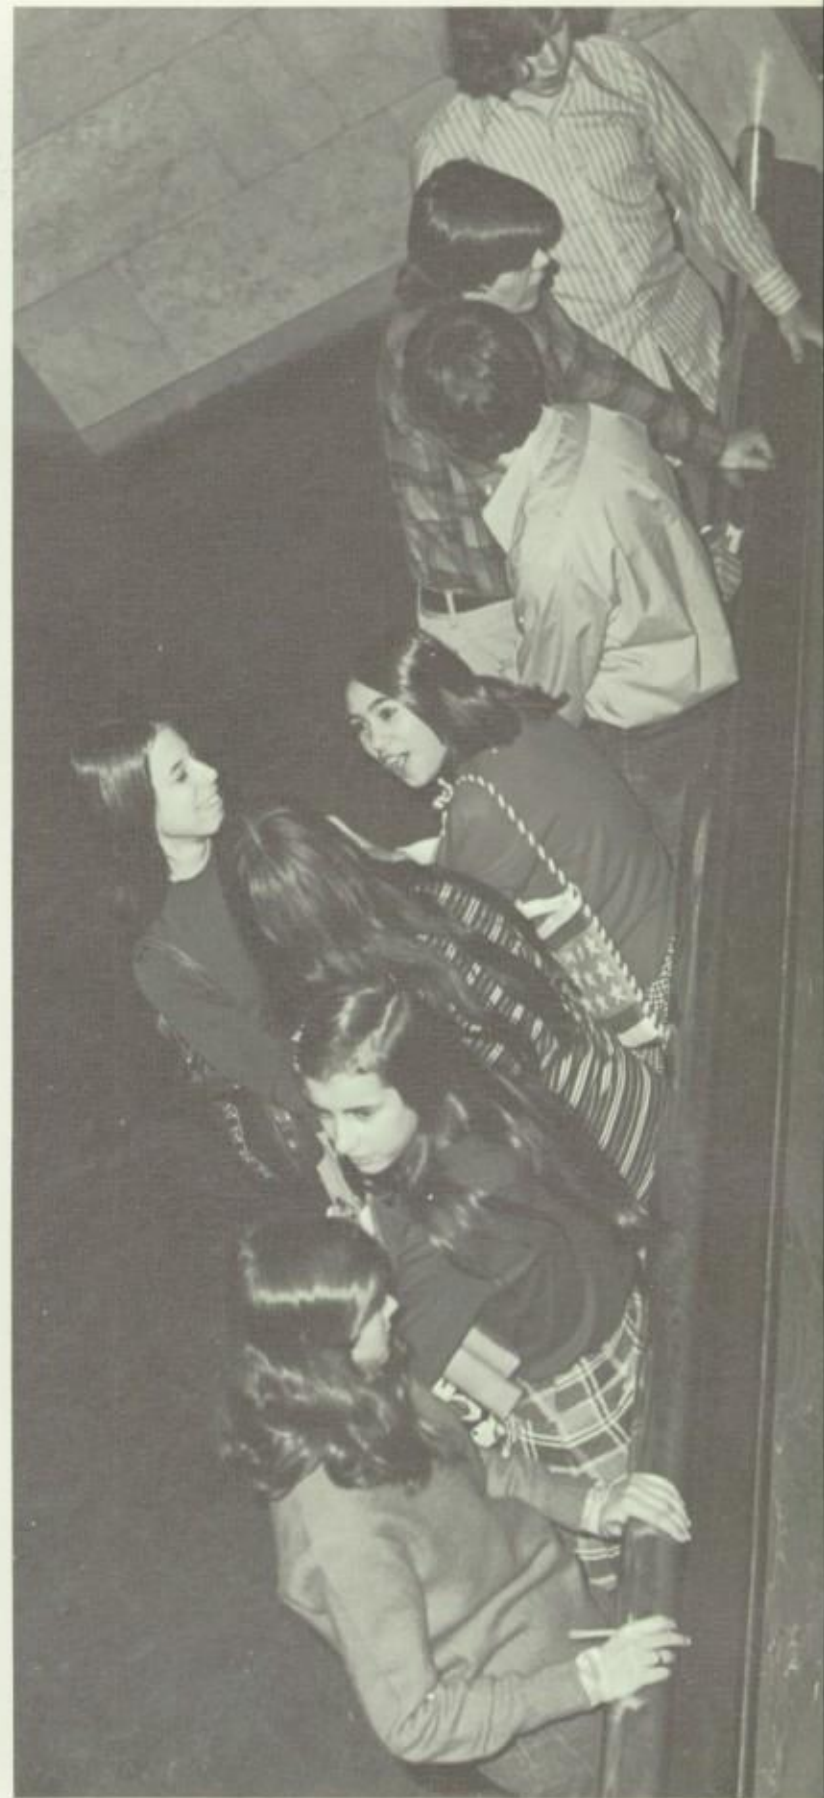

Don't worry, I don't bite!

Just as a city centers its activities around a square, the student directs his interests around the daily happenings of school.

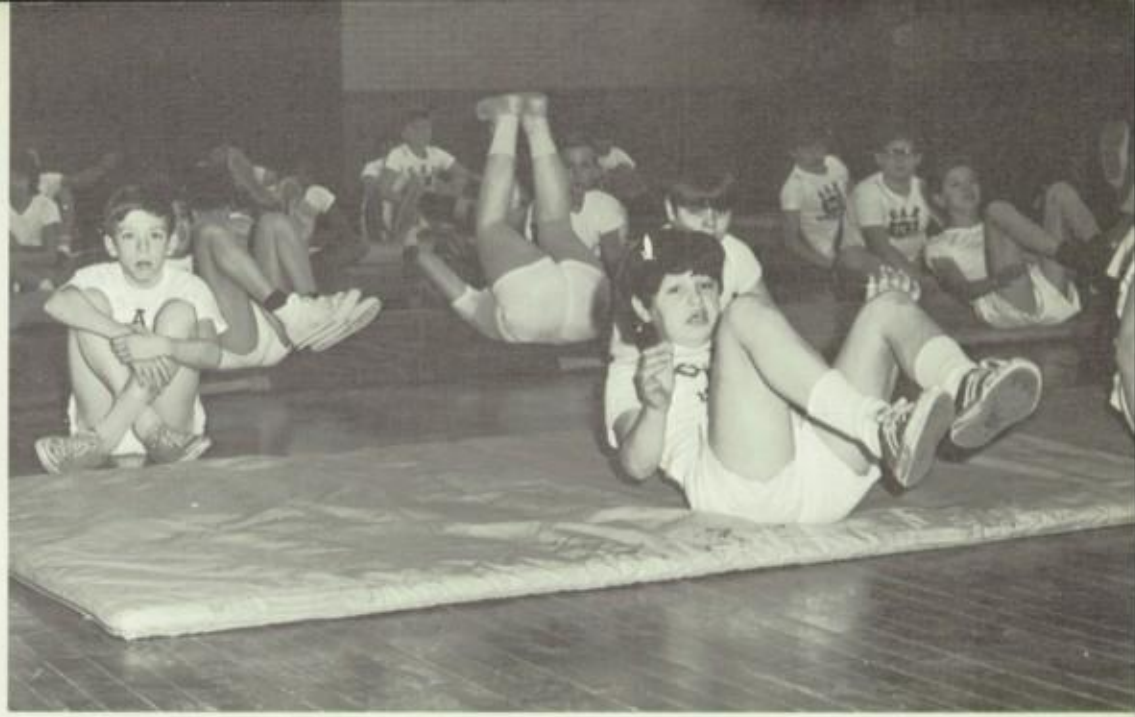

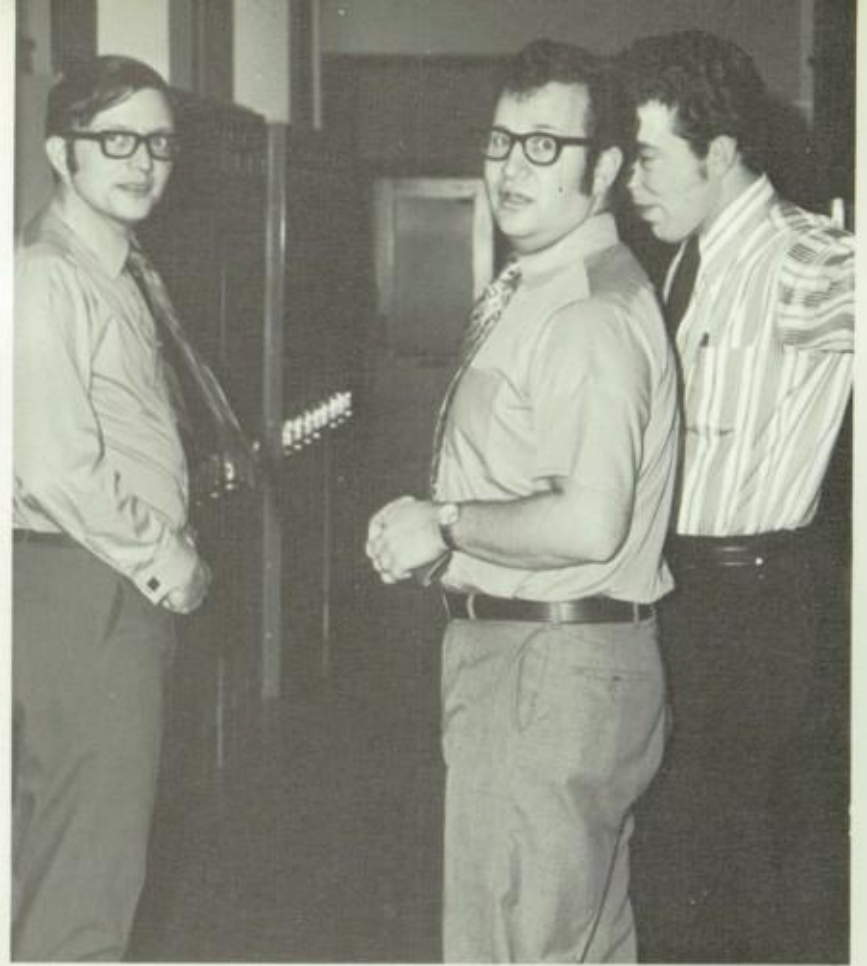

Man's quest to extend his knowledge is evident at G.A.R. A physical well-being is its constant companion.

Doin' his daily duty!

2:40 rush.

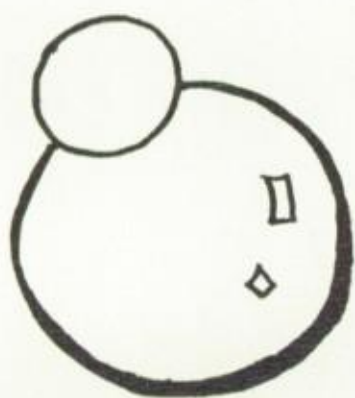

Big Brother is watching!

Waist ... Hips ... !

CHEERLEADERS

The flash of the blue and gray of twelve, completes the picture at every athletic event. The cheerleaders lead on with such cheers as "Spirit", "Dynamo", and "Two Bits." A new addition to this group is the J. V. Cheerleaders, who do their routines at J.V. and Freshman games. Advised by Suanne Moses, both cheerleading squads psyche the sparkin' spirit of many an enthusiastic fan.

MARCHING BAND

The Marching Band and Majorettes, advised by Robert Okrasinski perform at football games with the precision of a Swiss watch. These two groups, which were awarded third place in the annual Veterans' Day Parade, entertained the spectators with "This Land Is Your Land", "Spinning Wheels", and other lively tunes. While the band formed large geometric patterns, the majorettes twirled their fiery batons. This harmonious combination adds to the colorful highlight of any football game.

MAJORETTES

STRUTTERS

The uniform motion of twenty four girls marching on to the field marks the entry of the G.A.R. Strutters. Advised by Miss Annette Marie Barbini, the Strutters and the Marching Band entertain the spectators at football games.

BELOW, LEFT TO RIGHT: B. Cardinali, B. Lewis, M. Woronowicz, H. Newman, M. Swenski, R. Kravitz, L. Waznik, R. Drugan, N. DiCinti, K. Horn, D. Wren, A. Belles, C. Popko, Head.

Two are better than one.

"Wouldn't you like to ride in my beautiful balloon"?

Can you beat this?

"You're in the army now".

GARCHIVE

The GARCHIVE staff has worked hard to put out this yearbook. There were layouts to be done, captions to be typed and deadlines to be met. They held their annual skating party and started the yearbook campaign. The finished product, this yearbook, is the result of diligent work by this group of students.

This year, G.A.R. underwent a change in its sports schedule. In previous years G.A.R. was part of the "A" division. After much controversy, G.A.R. was placed in the "B" division in 1971. This meant we were to play schools with an enrollment apporximately equal to ours. Our football team had an exciting year resulting in a 4-4-1 season. Our team displayed such fine sportsmanship that for the second consecutive year they received the Andy Gulick Sportsmanship Award.

Come fly with me!

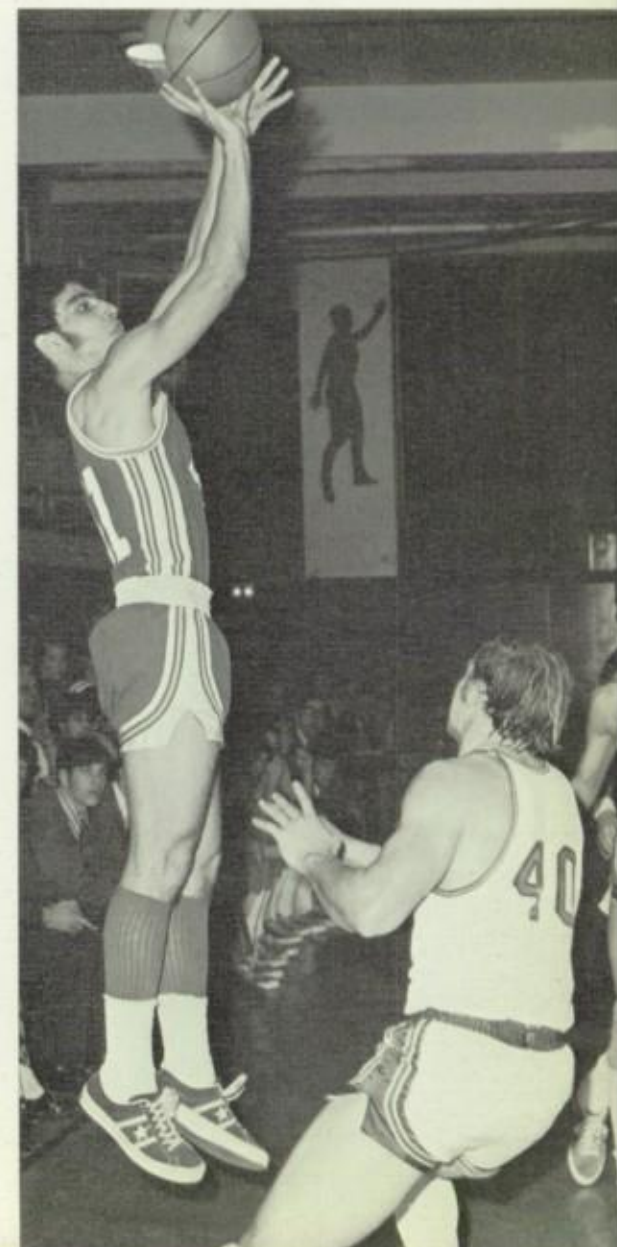

Hey, buddy! Get out of my way!

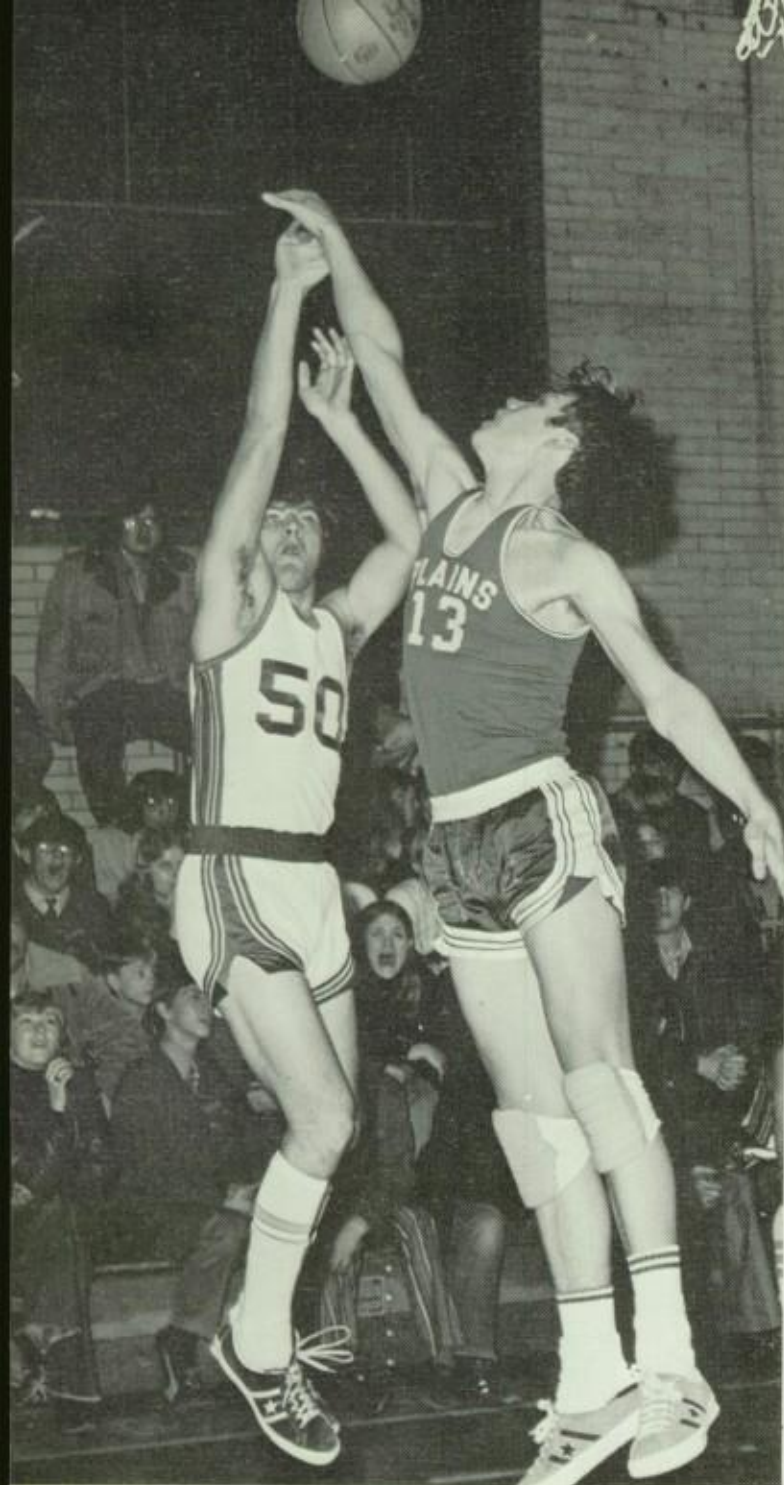

The G.A.R. basketball team began their fine year in November by winning three of their four exhibition games — losing only to the Number One “A Division” team ... Nanticoke.

In the opening contest of the regular season, G.A.R. showed their Hanover opponents, who was boss by taking an early lead and holding it to win an exciting opener. The next game was a slight disappointment to the Great Grenadiers. The five mountaineers of Dallas beat the Grenadiers by only three points. But the Hill-toppers bounced right back — not losing another game the rest of the First Half. This included an impressive overtime victory over Wyoming Sem.

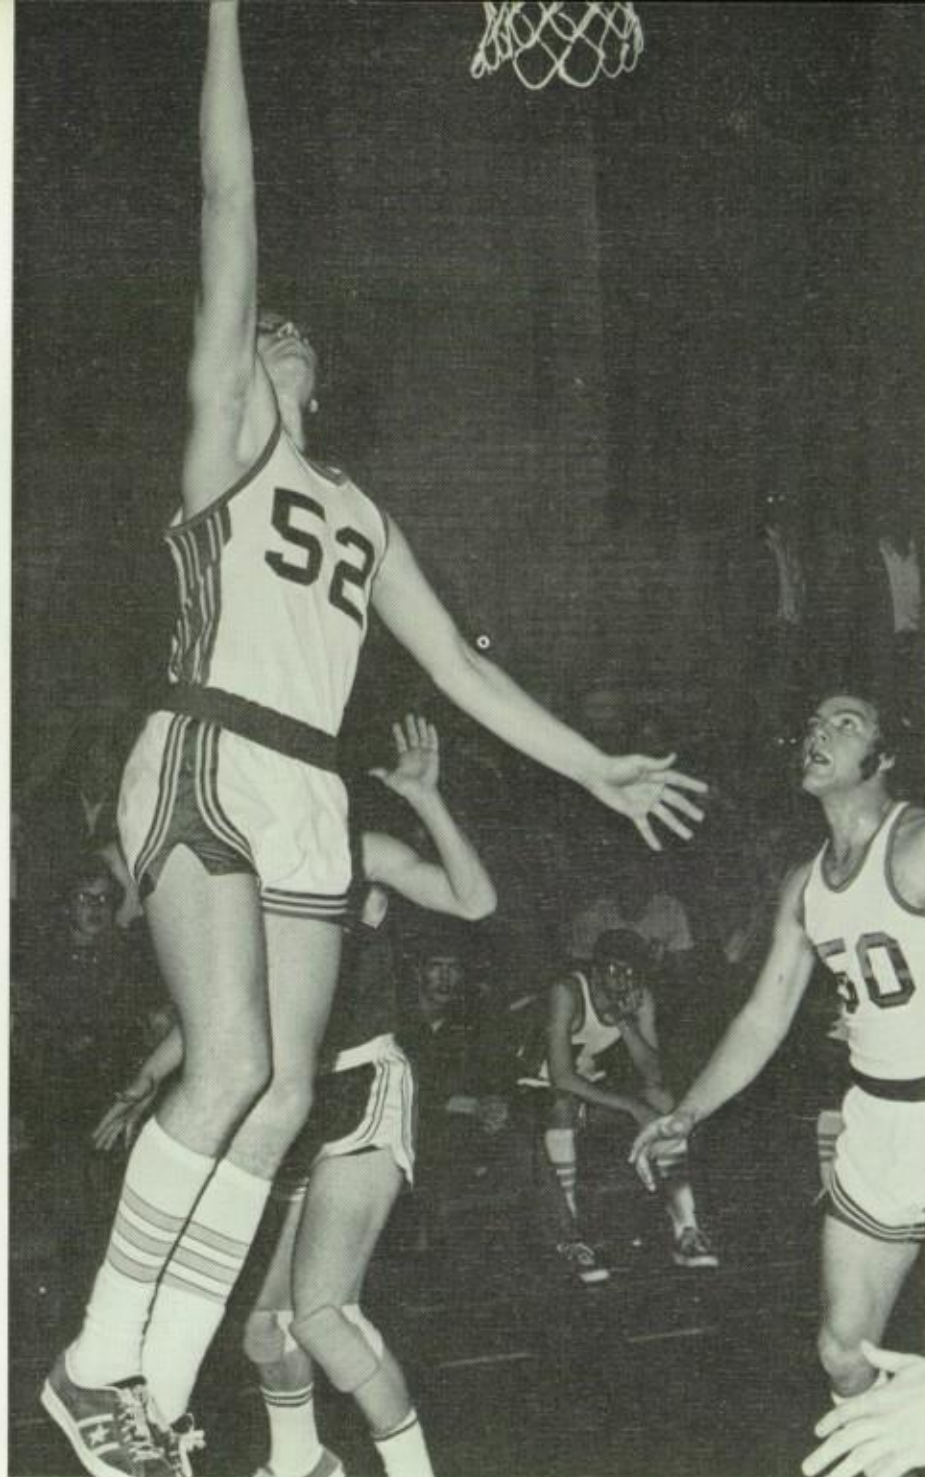

But, G.A.R. had to meet Sem again for the first half playoffs. The Grenadiers took an opening lead in the game, but Seminary pulled out in the lead and won 53-51.

Starting off the second half, G.A.R. posted another victory over Wilkes-Barre Township. In the second game, our Grenadier cagers were defeated by a determined Dallas ball club. But, G.A.R. came right back with a resounding victory over the Plains team. They again followed their first-half tactics by winning every following game with the exception of Wyoming Seminary.

In our overall record, the Grenadiers posted enough wins, thus qualifying to play in the Class "B" Playoffs. They will be playing some teams from out of town, including Riverside, Carbondale, and Dallas. The first game is scheduled with Carbondale, followed by a playoff for the Class "B" Champs with the winner of the Riverside-Dallas encounter.

FACU

Mrs. Dorothy Hays, Librarian of G.A.R., has always been depended upon for help when it comes to library involvement. She has proved to be a very capable person and administrator through the years. The Library runs smoothly and efficiently under her guidance. Alone, Mrs. Hays must bear the responsibility of taking care of so many books, periodicals, visual aids, and other resourceful material found in the Library. Her fellow teachers and friends have a great respect and appreciation for the wonderful work she has done — always with a smile.

We are proud to dedicate the 1972 Garchive to Mrs. Hays, as a token of our appreciation to her unending work.

DEDICATION

Mrs. Gladys Hilburt has served the school in two capacities. She has performed her regular duties as an English Teacher as well as being kept constantly busy as our Director of Activities. Teaching, alone, is a full-time responsibility but, somehow, Mrs. Hilburt has succeeded at giving us a top-notch performance in both fields.

All of the fun-filled events which have colored our school days for the past several years have resulted from the planning Mrs. Hilburt has done. Our dances, proms, plays, skating parties, assembly programs and teas ran smoothly because of her know-how.

Because Mrs. Hilburt has made our days at G.A.R. so much more meaningful, we dedicate the 1972 Garchive to her.

EDITOR'S NOTE!

Terry,
 all the love, luck and success
 the world has to offer. Even
 though you don't need it. Never
 forget all the good times we
 had down the park. I hope
 I didn't get you too mad
 when I used to hang on
 Joe. Please forgive me, you
 know how it is. Good luck
 with who ever you go with.
 I hope all your dreams
 come true for you. Please
 don't change your crazy ways.
 Remember Mr "Mike's" class
 and all the fun times we
 had with it. Don't forget all the
 other classes either. I really
 enjoyed your friendship and
 I hope we can continue it.
 God it doesn't even seem like
 this school year is over, but
 it is thank God. Thanks for
 inviting me out the lake I really
 had a good time. I hope you
 and Clark get something good
 going 'cause I think you make
 a really good pair. Remember all
 the times we went out in that rock
 car (Andy). I ~~know~~ you like him
 so much so I won't say anything
 bad about him. HA HA HA. I know he
 is your one and only true love. I can
 hear wedding bells now. So good
 luck in what ever you do. Don't
 do anything I wouldn't do. So you
 can't do it with nobody. mattill
 So. So stay the way you are
~~and~~ you will stay where you
 are now. Good luck. God Bless
 Hope our friendship will
 go far.
